

Bookworm Buzz

Children's Books curated by Busy Busy Learning

Bookworm Buzz brings you delights of the children's book world. Whether you're looking for recommendations or just interested in what's out there Bookworm Buzz has something for all readers.

In this edition we're putting a spotlight on puzzle books. Often these titles are written as a story with puzzles to solve along the way. All you have to do is get over the shock of WRITING in a book!

Big Cats

The most wonderfully warm and magical book. Augustus has lost his smile. He searches high and low looking for his smile before finding it in the most wonderful way sure to have you looking at happiness in a different way. Perfect read aloud.

by Catherine Raynor

by Owen Davey

Crazy About Cats brings you a non fiction gem from Owen Davey with his signature style all about big cats. Packed full of fascinating facts.

Nizrana Farook builds worlds so rich that her books whisk you away to faraway places. The Girl Who Lost a Leopard will have you gripped!

Emily Gravett

The world of Emily Gravett is always filled with marvellous characters that will warm your heart, put a smile on your face and leave you begging for the story to be read - AGAIN! Lots of Emily's books are available as both picture books and board books. Therefore, they're ideal to introduce to babies but continue to be much loved books well into childhood.

Graphic Novels

5+

Book 5 in the world of Bumble & Snug sees the Worried Dragons join this adorable duo. These books are perfect to introduce you to the world of graphic novels. Full of empathy and emotional literacy as well as fun drawalongs at the end!

Donut Squad or Bagel Battalion? Donut Squad brings you such fun, vibrant characters that you will absolutely fall in love. Which side will you be on? Join this epic world of baked goods' fun that will have you rolling with laughter.

7+

SuperQuesters

STEM activities in picture books & now book 5 sees a chapter book format. SuperQuesters are eco-conscious, science and tech loving characters who get whisked away to solve problems that help explain key scientific concepts. You have to solve the challenges to help Lillicorn, Leo Zoom & Bea Bumble succeed.

"A book is like a garden, carried in the pocket."
- Chinese Proverb

Book Match

3+

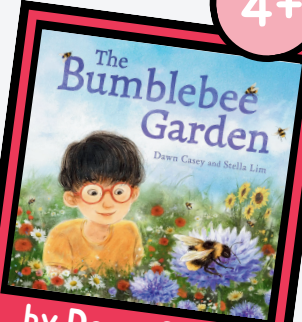

by Helen Mortimer & Katie Cottle

A book about sustainability, cultural identity & friendship that doesn't lose sight of what a picture book should be all about.

Magically, heartwarming with bee facts & a honey cake recipe packed in too!

Although a storybook, through the eyes of Ben and his Grandpa, we learn all about the life cycle of a bumblebee in this sublimely illustrated picture book.

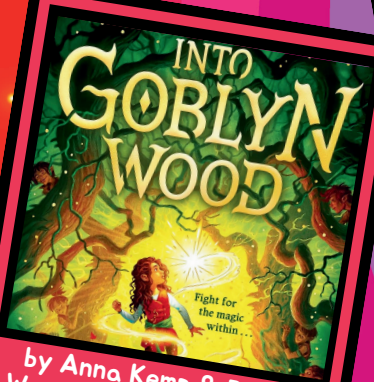

4+

by Dawn Casey & Stella Lim

from Yoto

A story of courage & friendship comes in this audiobook. Based in 'Slaughterville' you can imagine things aren't always what they seem.

Poetry

A Dinosaur at the Bus Stop: Poems to Have Fun With!

6+

A collection of laugh out loud poems perfect for performing. These are the type of poems that make you fall in love with this wonderful genre and never look back. There's a brilliant mix of poems in this collection by Kate Wakeling. 'This is a Very Sensible Fart Poem' is a must read. If you get the opportunity to see Kate perform her poems live it's well worth it!

If you like Isadora Moon... try...

5+

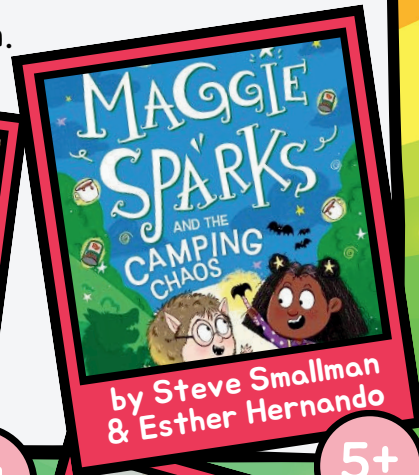

Calling all Isadora Moon fans - what to read next? Start with Isadora's family members. Mirabelle & Emerald are a similar format each with their own unique colour - just like Isadora's pink. However, if you're looking for something different then the Kitty series are brilliant. Meet the girl who turns into a cat and goes on night time adventures - similar formula to Isadora, Mirabelle & Emerald with a signature orange. Maggie Sparks is highly illustrated in black and white. Perfect adventure stories and ideal for those who enjoy Isadora Moon.
