

Bookworm Buzz

Finding Floss is a loveable, mischievous, chameleon of a pup that gets up to all sorts of mischief yet saves the day when disaster strikes at the funfair.

Looking for a laugh out loud book then **There's Nothing Faster than a Cheetah** is for you. Just keep an eye on those cheeky snails!

A book for all story lovers. **How to Make a Story** reminds us all that the best part of a story is sharing them with others.

The perfect book for Spring - **That's My Flower**. Spring is blossoming and Squirrel has found a flower he absolutely WILL take care of. Join the fun and learn a few Spring facts along the way.

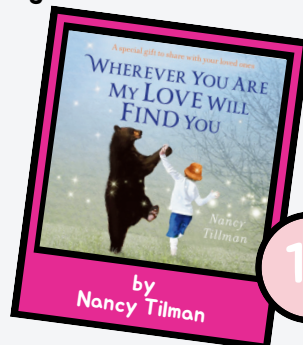

Love is in the Air

Books for those we love whether for Valentines Day or any day of the year.

The Kiss gives you two books in one - a story told from both ends that come together in the perfect family blend in the middle - adorable.

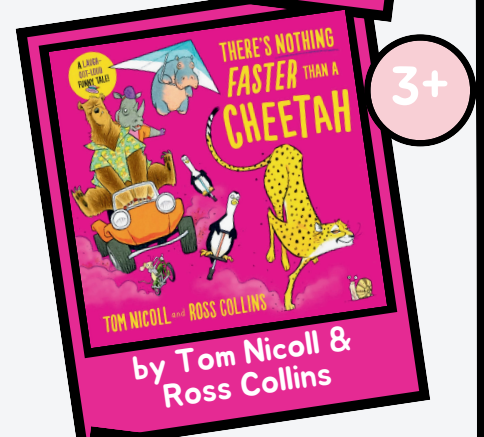

Love You Always takes you through seasonal changes and it has little Hoglet wondering if Mummy's love will change if he changes. Hoglet soon learns that some things never change.

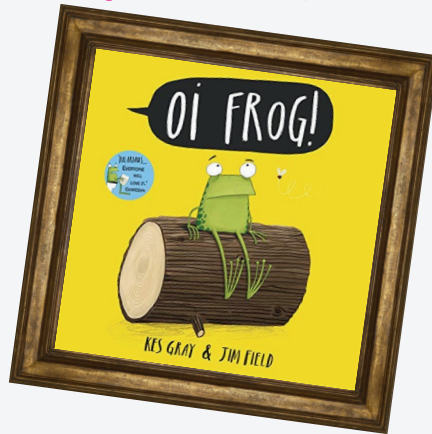

Wherever You Are My Love Will Find You is a wonderful book to reassure little ones just how much they are loved and that love knows no distances and will travel to wherever you are.

Drawing

Get Real, Mallory! is for every budding artist and dreamer. Is it really possible that drawings can come to life!?

Some people draw freely, others find it hard to put a mark on a page.

The Dot is an incredible book to help those of us who find it overwhelming or worrisome to be creative on paper. Just read The Dot and watch the magic happen. Make your mark.

Poetry

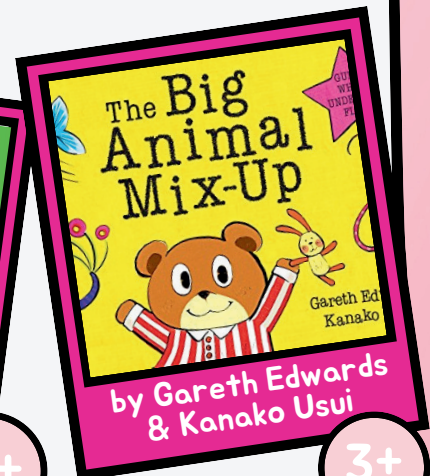

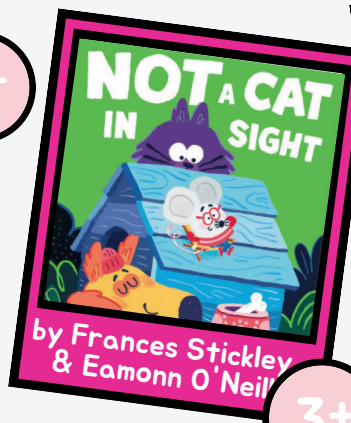

A collection of poetry from much loved author Nicola Davies and treasured illustrator Petr Horáček. A poetry collection that is for multi-generations. As often with Nicola's poems they aren't just words on a page but a call to action. It's a collection of poetry about the experiences of refugees. They are breathtaking yet heart-wrenching and they are about people, human beings.

If you like Shark in the Park try...

If you love Nick Sharratt's Shark in the Park and other books in the series then you'll love these recommendations for books that will have you screaming and shouting and totally absorbed in the fun.

Activity Book

Creativity without the mess! Magic painting books are ideal for home or out and about. You just use water with the attached paintbrush to 'paint'. Love and Hugs has the sweetest collection of illustrations - the perfect gift for a little one.
