5.

TIP: Adding extra brown gives definition.

Add extra brown

6.

TIP: This helps beak look more integral.

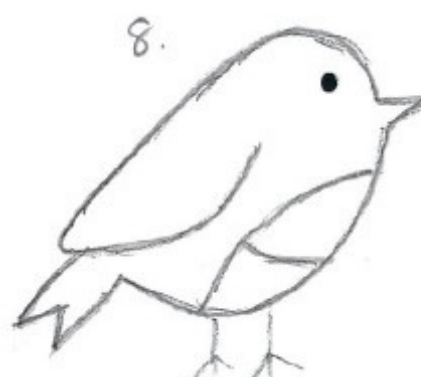

Small white added.

7.

Add black to eye.

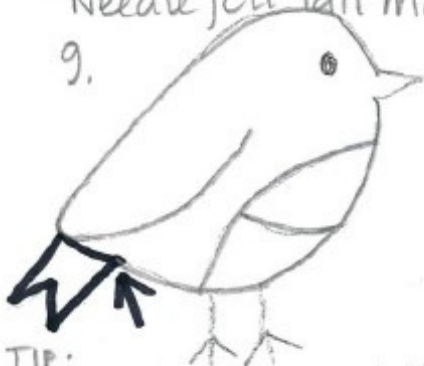

8.

TIP: Work gently to get eye shape.

Needle felt tail more.

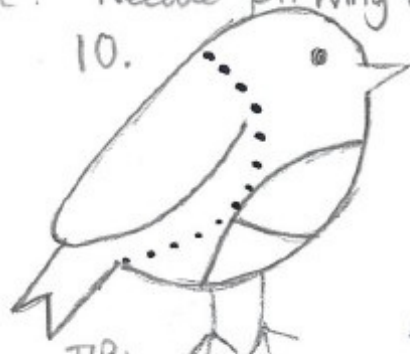

9.

TIP: This will lower the tail. Add definition by bottom.

Needle felt wing definition

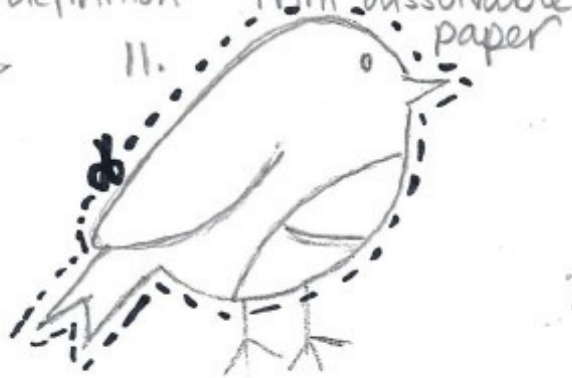

10.

TIP: This helps your robin not look flat.

Trim dissolvable paper

11.

Take home and dip in water. This dissolves paper from edges. Leave to dry.
